"My practice focuses on real estate and estate proceedings. I have had the pleasure of knowing Terry and Vic professionally for many years. Terry has impressed my clients with his fairness, honesty and integrity, and his ability to give his "personal touch" to representation of my clients as a broker, realtor and auctioneer. I am happy to endorse and recommend Terry, and his wife, Vic, for your real estate sale needs."

"I want to thank Terry Garmon for his professional services from the time he listed my property till closing which was very quick . Terry spent time to know the property from the boundaries to any and all features . My property was presented to the public with such a style that a buyer was never intimidated yet if interest was expressed by a potential buyer Terry would exhaust all of his energy to close the deal . Great experience I would recommend to anyone."
